WELCOME

Welcome to Akiko Liu Photos! I am a wedding and lifestyle photographer located in the beautiful state of California.

I find joy and excitement photographing all the very special moments with all my clients. I am always humbled and so thankful that you and your partner are considering myself to photograph your special day. I truly believe that photography is timeless, a keepsake that will hopefully be with your family for generations. My goal is to have a heart of servitude, to get to know all my clients, so that I may share your story in the truest possible way. I love what I do, as I capture all the beautiful moments, and I am excited to have the chance to work with you.

As your wedding photographer, I will likely be the vendor you will see from the very start to the very end. While I mainly stay focused around Los Angeles, I am open to travel worldwide should you decide to have me onboard on your adventure.

Let's work together to make your day timeless and full of love.

ABOUT ME

Akiko T. Liu
Owner
Los Angeles, CA

Marketing expert during the weekdays, a crazy cat lady armed with cameras on the weekends! I am an absolute believer in my Sony Mirror-less cameras and usually shoot with 2 cameras on me at all times.

The two lenses that are usually glued to my camera bodies are Zeiss Batis 85mm for gorgeous, creamy bokeh portraits and one for wider, still-sharp 35mm Sony Distagon lens with Zeiss glass. If your location requires wide, open shots, I also have beautiful Zeiss Batiss 18mm lens for that as well! Prime lenses are my go-to, and I also have a macro lens and other portrait lenses to capture all the small details of your day.
